

PROVEN PLANTS FOR LITTLE BEAUTY & CREEPER ISLAND GARDENS

Because Little Beauty & Creeper Islands are small they require low growing plants with a creeping habit. Plants that acquire too much height get top heavy and may tip the island. Plants should be true aquatic species or moisture loving.

Bacopa caroliniana – Lemon Bacopa

Bacopa lenagera - Variegated Bacopa

Bacopa 'Monnieri' - Moneywort Bacopa

Hydrocotyle sibthorpioides 'Crystal Confetti' – Var. Pennywort

Ipomea 'Blackie' & 'Ace of Spades' – Sweet Potato Vine

Lindernia grandiflora – Blue Moneywort

Lysimachia nummularia – Creeping Jenny

Lysimachia nummularia 'Aurea' – Golden Creeping Jenny

Lysimachia spp. – Variegated Creeping Jenny

Mazus reptans – Blue, White or Red Veined

Myriophyllum spp. – Dwarf Red Stemmed Parrot Feather

Pratia pedunculata – Blue Star Creeper
